Letter of Deficiency  
WMD 03-12

**SUBJECT: Financial Assurance for B. Rovner Co., Inc.  
Permit No. DES-SW-LP-97-001**

Dear Mr. Rourk:

The Department of Environmental Services, Waste Management Division (DES) sent a letter to you dated February 14, 2003 (copy attached), requesting updated closure costs for B. Rovner Co., Inc. (Facility) by April 1, 2003. Pursuant to Env-Wm 3105.02 of the New Hampshire Solid Waste Rules (Rules), an annual update of your Facility's closure cost estimate is required.

As of this date, DES records show that an updated cost estimate has not been submitted. DES believes the above noted deficiency can be corrected by submitting the previously required updated cost estimate within twenty (20) days from the date of this letter.

All information as requested should be addressed to Myrna P. Giroux, Program Specialist III, Waste Management Division, Department of Environmental Services, 6 Hazen Drive, PO Box 95, Concord, NH 03302.

In the event compliance is not achieved within the time period indicated, DES may initiate formal action against you, including issuing an Order requiring the deficiencies to be corrected, initiating an administrative fine proceeding, and/or referring the matter to the New Hampshire Department of Justice for imposition of civil and/or criminal penalties.

Your prompt cooperation is appreciated. If you have any questions regarding this matter, please do not hesitate to contact Myrna Giroux of the Solid Waste Management Bureau at 271-2925.

Sincerely,
